BRIDGET FLINN

Bridget Flinn is a contemporary artist, working mostly in acrylic, who paints urban and rural landscape and still life. She is a full time painter working in her studio in Sandymount, Dublin.

"The works are made in my studio and the resulting paintings often bear little resemblance to the starting photos and sketches. They evolve with layers of paint, applied by large brushes, palette knife or bits of cardboard. I aim for a loose painterly style, sometimes verging on the abstract."
